

Deer Hollow Farm Class Descriptions

Farm and Garden, Kindergarten

During the Farm and Garden class kindergarten students learn about farm products on a two-hour tour of Deer Hollow Farm. Children will have the opportunity to visit the farm animals and discover the food and clothing the livestock provide. The farm is home to a cow, chickens, ducks, geese, rabbits, goats, sheep, and pigs. In the garden, students can sample roots, stems, and leaves from farm-grown vegetables and understand the importance of composting. Seasonal goat milking or tractor demonstrations emphasize the importance of the Farmer's responsibilities.

Sheep and Goats, 1st Grade

First grade students are offered an in-depth look at the food and products that are made by sheep and goats, such as wool, milk, and meat. During the 2 ½-hour class children circulate through activity stations focusing on dying wool, tasting goat's milk, carding wool, sheep shearing, visiting sheep and goats, and spinning and weaving wool. Seasonal goat milking demonstrations may also be available.

Wilderness Class, 2nd-4th Grade

The Wilderness class focuses on the natural history, plants and wildlife in the 3,800-acre Rancho San Antonio Open Space Preserve surrounding Deer Hollow Farm. Small groups of second grade students and older are lead on hikes through a variety of habitats found on the preserve, including grassland, oak woodland, riparian/bay woodland, and chaparral. Through exploration and hands-on activities, students learn about the adaptations, predator-prey relationships and energy cycles found in each habitat. This class places strong emphasis on stewardship of the environment and our relationship to the natural world.

Ohlone Habitat, 3rd Grade

The Ohlone Habitat class is a unique opportunity for 3rd grade students to discover the culture and history of the Ohlone Indians who lived in the Bay Area for thousands of years. During the 3.5-hour class, students will visit a replica Ohlone Village and learn about Ohlone daily activities such as acorn pounding, weapon making, and games. A short hike through the surrounding Rancho San Antonio Open Space Preserve will introduce students to the native plants and animals the Ohlone used for food and tools.

Ohlone Village, 4th Grade

The Ohlone Village class is a unique opportunity for 4th grade students to discover the culture and history of the Ohlone Indians who lived in the Bay Area for thousands of years. During the 4-hour class, students will explore structures in a replica Ohlone Village, including a sweat lodge, sleeping hut, and shade shelter. Students can also participate in daily activities, such as acorn pounding, weapon making and Ohlone games. A short hike through the surrounding Rancho San Antonio Open Space Preserve will introduce students to the native plants and animals that the Ohlone used for food and tools.

DEER HOLLOW FARM

CITY OF MOUNTAIN VIEW RECREATION DIVISION

Dear Teacher/ Group Leader,

Thank you for joining us at Deer Hollow Farm! Please read the following guidelines to make your visit an enjoyable and educational experience for all.

Adult Chaperones – The number of adult chaperones is limited to one per four children. Additional parents are encouraged to enjoy the Farm and Preserve at their leisure. If chaperones are attending, please have them read the enclosed chaperone information form, sign it, and return it to the Farm with permission slips. Please do not bring siblings, as they will not be allowed to participate in the program.

Permission Slips – Each participant must have a signed City of Mountain View permission slip (one master copy is enclosed in English and Spanish.) Please give these slips to a staff member on arrival. (NOTE: Your school may require an additional permission slip that will stay at the school.)

Name Tags – Students must wear visible name tags.

Groups – Upon arrival, Deer Hollow Farm staff will divide the students into groups of approximately 10 students per volunteer Teaching Docent. Please make adjustments as needed after the groups are formed.

Clothing and Shoes – Wear sturdy shoes and comfortable, layered clothing. Please encourage the children to wear clothing that will keep them warm and dry. The temperature at Deer Hollow Farm can be 10 degrees cooler than temperatures at home or school. Please bring rain gear if it is cloudy in town. There are Farm ponchos available for the students if additional rain gear is needed.

Lunch and Snack – Students must carry their own backpack to carry their own lunch. Participants are encouraged to bring a “no garbage” lunch, please see the enclosed information. Lunch can be scheduled during a 3- to 4-hour class or after a shorter class. If a snack is needed during a shorter class, please arrange time to eat before or after the program.

Preserve Information – The Rancho San Antonio Open Space Preserve is managed by the Midpeninsula Regional Open Space District. There are no trashcans, and smoking or collecting is not allowed. Restrooms are only available at the Farm and in the County parking lot. You have permission to park in the Permit Lot located a half mile into the wilderness preserve.

Teachers, Aides, or Persons in Charge – Teachers, aides, or persons in charge are required to participate in the activities as part of the group when attending a class.

Allergies/Medical – Upon arrival, please notify Deer Hollow Farm staff of any allergies (such as bees, plants, etc.), medical conditions (such as diabetes, epilepsy, heart ailment, etc.) or special needs (such as language, learning disabilities, etc.) that children may have.

Rain Procedure – All classes except for Wilderness will be held rain or shine. However, if weather conditions create a hazardous situation, a Deer Hollow Farm staff member will call the school at 8:00 am to cancel or reschedule the class.

Please call Deer Hollow Farm (650) 903-6430 if you have any questions. Thank you very much for your cooperation. We look forward to your visit!

Sincerely,

Jessica Morgan
Deer Hollow Farm Senior Recreation Coordinator

CHAPERONE INFORMATION

Dear Chaperone,

Welcome to Deer Hollow Farm! Thank you for your assistance in making this an exciting and educational experience for your child. To ensure a pleasant trip for everyone, please review the following information.

As a designated chaperone, we ask that you,

1. Assist the teaching docent with enforcing Deer Hollow Farm and Preserve rules.
2. Assist with any behavioral problems that may arise.
3. Close gates and doors behind each group.
4. Accompany children to the restroom.
5. Assist with lunch, if lunch is part of the field trip.
6. Wear strong, durable shoes and comfortable clothes for hiking. Dress in layers.
7. Please, no smoking or collecting from the Preserve.
8. Pack a garbage-free lunch. There are no trashcans at the Farm. If lunch is included during the field trip, ask the teacher for further information.

The closest restroom to the bus stop is a 1/2-mile walk to Deer Hollow Farm, - please come prepared!

The number of chaperones is limited to one adult per four children. Other adults are welcome to enjoy the Farm and Preserve at their leisure.

Parents and their children are encouraged to be in separate groups. This is to help the students give their full attention to the teaching docents and learning materials. Please inform Farm staff if you must be with your child due to special needs, medical conditions etc..

Refrain from using cell phones and taking posed pictures. Please take candid pictures only, posed pictures can disrupt the class and take teaching time from the docents.

Unless asked directly, let the children answer questions posed by the docents. Please let the children make their own guesses and refrain from whispering answers to the children.

Please sign below after reading the above information.

How to Pack a No-Garbage Lunch

RECYCLE

REDUCE

REUSE

RETURN

1. Help students clarify the concepts of recycling.
2. Use cloth, pillowcase or a bandanna to wrap and carry lunch. (Bring the ends of the cloth or bandanna together around the lunch and tie them.)
3. Use reusable containers to store your fresh items (sandwich, vegetables and fruit).
4. When ready to eat, untie the ends of bandanna; the bandanna then becomes your tablecloth. When finished with lunch, your bandanna becomes your napkin, and then wrap and carry out.
5. All of the food items left over from lunch can go into a compost pile (no paper or plastic).
6. Sort out items from lunch that can be taken to a recycling center (aluminum cans, glass bottles).

Reusable Container Items

Cottage Cheese
Sour Cream
Cool Whip
Jello
Yogurt
Tupperware
Lunch Pails

Things Not to Buy

Sandwich Bags
Squeeze-It
Juice Box (Mott's, Hi-C)
Ready-to-Eat Lunch Packs
Fruit Rolls
Candy
Small Bags of Chips
